

Chinese Christian Mission Church (CCMC) of Durham, NC is seeking a full-time English Pastor who can share our vision for the growth of our English ministry at CCMC. The church is located 5 minutes from Duke University and 25 minutes from UNC Chapel Hill. Though the current size of the English congregation is around 30-40 people with a mix of young students, young adults and adults, we believe that God has called us to develop an adult English ministry that will in turn be able to support all other aged ministry groups. The main responsibility of this English pastor will be to shepherd and lead, through scriptural teaching and discipleship training, the growth of our English congregation in numbers and in spirit. More information about CCMC can be found on our website: www.ccmcNC.org. Interested applicants should send their resume to ccmcenglishministries@gmail.com or contact Alan Lee at 919-260-0794.
